It was the best of times; it was the worst of times: A tale of two concurrent leadership opportunities

Melissa Haendel, PhD, FACMI

Mentors: D Ellison & JM Guise (OHSU); Collaborators: C Chute (JHU) & K Gersing (NIH)

Presented at the 2021 Poster Forum

Leadership Realizations:
- I could translate national leadership and organizational strategy locally
- Data interoperability and access issues are the same
- Governance and partnership is everything
- Every institution is different organizationally, legally, & culturally

The National COVID Cohort Collaborative

Office of the Chief Research Informatics Officer

The National COVID Cohort Collaborative

Outcome:
- N3C is the largest HIPAA limited dataset & largest collaboration on sensitive data in US history
- CRIO office launched: focuses on data governance, infrastructure & analytics, learning healthcare, precision medicine, & diversity

Informational interview: how to make a new medical center??

Interview other CRIOs, review similar roles

Meet CU faculty & interview leadership

Offer Feb 22nd, My Birthday!
