Drexel University’s School of Education offers a wide variety of undergraduate educational programs to train the next generation of teachers.

**COMMITMENT TO EXPERIENTIAL LEARNING**
School of Education students can begin gaining classroom experience as early as the second quarter of their first year.

**UNDERGRADUATE PROGRAMS**
- BS in Elementary Education (PreK-4)
- BS in Elementary Education (Middle Levels)
- BS in Secondary Education (4-12)
- BS/MS in Education (5 year program)
- DragonsTeach Middle Years
- Certificate in Creativity and Innovation
- Minor in Education
- Minor in Sport Coaching Leadership

**BS/MS OPTION**
- Earn both a Bachelor’s & Master’s degree in only 5 years
- Earn 2 degrees in a shorter period of time
- Costs less than earning degrees separately
- Potential to earn a higher salary after graduation

**STUDENT ORGANIZATIONS**

**Future Educators of Drexel (FEDS)**
Our student organizations like the Future Educators of Drexel visit Washington, DC & Harrisburg each year to meet with leaders in Education.

**Drexel Student Council for Exceptional Children (DSCEC)**
Students interested in Special Education can join the DSCEC and have the opportunity to attend the national Council for Exceptional Children conference.

**Kappa Delta Pi (KDP) International Honor Society in Education**
High achieving students have the opportunity to join Drexel’s chapter of KDP International Society in Education.
