Contact in Study Abroad:

Logistics and Program Planning

If this is an Intensive Course Abroad, please attach a program itinerary.

If you are using a program provider, you should be able to obtain much of this information from the provider website or your contact.

Describe in-country transportation that will be used during the time abroad. In some cases, transportation may be coordinated by a local provider. If there are known transportation risks in-country, please explain how you will mitigate those risks? Please note that all rented vehicles must be licensed and insured.

Describe housing arrangements and how the housing was selected/reviewed.
Describe the in-country communication plan for students and how they will communicate if internet is not available. How will people communicate with Drexel if needed?

Safety and Security Planning

Nearest US Embassy, including address and 24/7 phone number:
(If there are non-US citizens in the course, please advise them to have their Embassy information with them)

Nearest hospital or health care facility to housing/classroom space/study center including address and 24/7 phone number:

Nearest police department to housing/classroom space/study center including address and 24/7 phone number:

Are there recommended vaccinations and/or present health risks for the destination country/ies? See the CDC website for country-specific information. Please describe precautions students should take to mitigate any health risks.

Will there be an in-country language barrier? If yes, how will students manage communication with locals?

If faculty-led, describe faculty leader’s previous experience in country or general travel experience.

If a third party provider program, describe rationale for selecting this particular provider.
Describe other known risks in country (natural disaster, personal safety issues, political unrest, terrorism) and your preparations for addressing these risks in country.

Please identify a Shelter in Place location where students would be instructed to gather in the event of an emergency. This might be the program housing or classroom location.

All programs require a pre-departure orientation. Term-long programs will have an orientation provided by Study Abroad.

Please indicate if you need assistance in facilitating the orientation.  _____ Yes  _____ No

Will there be an on-site orientation?  _____ Yes  _____ No  Provided by
