

Smart Source Home Page Updates

Header Navigation icons have been updated and rearranged into a sleeker format:

Menu Item	Function
<input type="text" value="Search (Alt+Q)"/>	The search field allows for you to search on various items across the site. You can search on documents such as contracts, search for suppliers or users. You can also search the online searchable help.
0.00 USD	Provides access to the user's active shopping cart.
	Provides access to the Bookmarks feature. Users can create, manage and click on bookmarked pages.

Menu Item	Function
	Provides access to the user's action items.
	Provides access to the user's notifications.
	Provides access to the user's user profile.

- The previous **Star** Icon to access the **Bookmarks** feature has been replaced a **Heart** Icon.
- The location where end users previously saw their name to access the **User Profile** has been replaced by the **User Icon**.
- A new **Help** button has been added to the User Profile functionality that displays help text for fields on the current page.

Menu Item	Description
