

Taking Advantage of COVID-19 CITI Modules for Research

STEP 1

Login to your CITI account with this link: <https://about.citiprogram.org/en/homepage/>

STEP 2

Underneath the blue welcome bar with your name and completed course information, you should see the following. Click the blue “View Courses” button on the right of Drexel University.

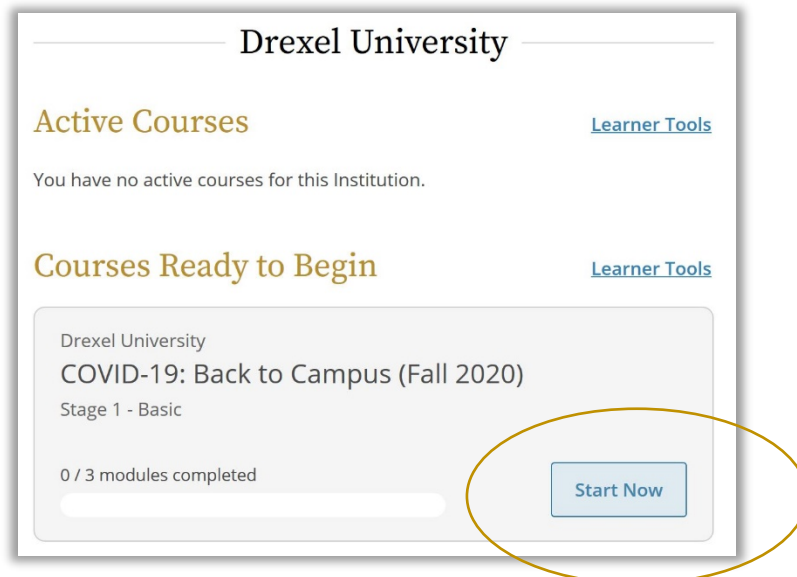

Institutional Courses

Institutional Courses are available to learners who have an affiliation with one or more subscribing institutions. If an institution with which you are affiliated is not listed, you may want to [add an affiliation](#). If you are no longer associated with a listed institution, you may want to [remove an affiliation](#).

STEP 4

After starting the module, scroll down to see the supplemental modules below the three base modules.

The screenshot displays a user interface for COVID-19 training modules. It is divided into two main sections: 'Required Modules' and 'Supplemental Modules'. Each section includes a table with columns for 'Modules' and 'Score'. In the 'Required Modules' section, three modules are listed: 'COVID-19: An Introduction (ID 20080)', 'COVID-19: Prevention Strategies (ID 20081)', and 'COVID-19: Moving Forward (ID 20082)'. The 'Start' button for the first module is highlighted in blue, while the others are greyed out. In the 'Supplemental Modules' section, three modules are listed: 'COVID-19: Human Subjects Research (ID 20083)', 'COVID-19: Safe Lab Reactivation (Animal Research) (ID 20084)', and 'COVID-19: Working with Patients Infected or Suspected with COVID-19 (ID 20085)'. The 'Start' button for the second module is highlighted in blue and circled in yellow.
