Paperwork required for submission to the IACUC for pre-review

- IACUC Protocol Form
- Research Proposal Section of the Application to the Sponsor (Sponsored Projects)

Standard Protocol Review Process (refer to calendar for dates)

- Principal investigator emails the application materials to the IACUC coordinator (IACUC@drexel.edu)
- Application is pre-reviewed by a primary and a secondary reviewer, statistician, outside member and by the veterinarian.
- Pre-review comments are emailed directly to the Principal investigator (refer to calendar for date)
- The principal investigator emails the revised application along with a letter summarizing responses to pre-reviewers' comments to the IACUC coordinator (refer to calendar for due date)
- IACUC reviews protocol at meeting
- IACUC approves, deferred with conditions, tables or disapproves the protocol.

Please Note:

- **Industry-Sponsored Contract** – please submit your contract to the Office of Research for review. Execution of one's contract is required prior to receiving IACUC approval.
- **IACUC Application, Instructions and Certification Requirements** – please visit off the Office of Research website – <http://www.drexel.edu/research/animal-research/IACUC/>
- **All personnel listed in the protocol must be certified for: 1) Occupational Health & Safety Program (Annual Health Review) 2) Species-Specific (hands-on) Training 3) CITI on-line training programs:** – Access to CITI on-line training programs can be found on the Office of Research website at <http://www.research.drexel.edu/compliance/iacuc/info.aspx>
