

## EMPLOYER DIVERSITY SPOTLIGHT

### WHY IS DIVERSITY IMPORTANT TO YOUR COMPANY?

As a woman and minority owned business, CDKM Consulting, LLC is deeply invested in diversity and inclusion. We work with a number of clients, from different backgrounds and walks of life and learn from all of them. Diversity is especially important at CDKM Consulting because of the nature of this business. In working with my employees and various clients, I (CDKM Consulting Founder) help ensure large scale projects in the Washington, DC area are successfully built. These projects serve all types of communities, some with special rights and concerns such as minority communities and people with disabilities. There are multiple stakeholders so having an understanding and sensitivity toward the diversity of DC, being able to interact with different people, and giving back to the community are all crucial components of the work we do at CDKM Consulting.

### DOES YOUR COMPANY HAVE ANY DIVERSITY-SPECIFIC INITIATIVES OR EMPLOYEE GROUPS/ORGANIZATIONS?

CDKM Consulting does not currently have any such programs but we are looking to get involved with some organizations in the near future.
