

## EMPLOYER DIVERSITY SPOTLIGHT

### WHY IS DIVERSITY IMPORTANT TO YOUR COMPANY?

Diversity is essential to Next City's core mission of influencing social change in cities. As a media organization focused on cities, it is imperative that our organization represent the full spectrum of the urban population, including people of all racial, ethnic, sexual and gender identities.

### DOES YOUR COMPANY HAVE ANY DIVERSITY-SPECIFIC INITIATIVES OR EMPLOYEE GROUPS/ORGANIZATIONS?

This year, we unveiled a one-year reporting fellowship for journalists of color. The fellowship is our effort to address the disproportionate whiteness of the journalism industry and bring underrepresented voices into the conversation about urban policy and politics. In addition to the fellowship, we regularly cover issues of race and equity and other topics relevant to underrepresented groups.
