

## EMPLOYER DIVERSITY SPOTLIGHT

### WHY IS DIVERSITY IMPORTANT TO YOUR COMPANY?

We all have a unique story to tell that shapes our perspectives. At PwC, we cultivate an environment in which our people feel comfortable bringing their whole selves to work. Our teamwork is enriched by the diverse perspectives and experiences each of us bring to the table. We provide access to the training and tools, but it's our people who leverage their diverse viewpoints to drive our high-performing teams that spur innovation and help us sustain a competitive advantage in the marketplace.
