Employers Value Drexel Students

“Our new program was a success because of Brandon’s dependability and professionalism. Unlike other co-ops, we treated him the same way we treated some of our full-time engineers who had received their degree one to two years ago. He has stood among the best and brightest co-ops to be employed by us in recent memory.”

- Gregory M. Patschke, Lockheed Martin

GO TO STEINBRIGHT AND GET TO WORK

Steinbright’s powerful combination of co-op and career services is a Drexel advantage for job placement and beyond.

From the One-Year-Out Alumni Survey, graduating class of 2016:

- 97% of Engineering graduates are working or enrolled in graduate or professional education.
- 55% of Engineering co-op participants working full-time had received a job offer from a former co-op employer.
- 96% of those working full-time were satisfied with their positions.
- 95% of those working full-time were satisfied with the level of responsibility at their position.

The Steinbright Career Development Center is Drexel University’s go-to resource for students, employers, faculty, and advisors to connect on co-ops and career services. There is no better place to get the answers and resources you need for every step of your academic and career path.
