Employers value Drexel students

Our new program was a success because of Brandon’s dependability and professionalism. Unlike other co-ops, we treated him the same way we treated some of our full-time engineers who had received their degree one to two years ago. He has stood among the best and brightest co-ops to be employed by us in recent memory.

- Gregory M. Patschke, Lockheed Martin

The Steinbright Career Development Center is Drexel University’s go-to resource for students, employers, faculty, and advisors to connect on co-ops and career services. There is no better place to get the answers and resources you need for every step of your academic and career path.

Steinbright’s powerful combination of co-op and career services is a Drexel advantage for job placement and beyond.

From the One-Year-Out Alumni Survey, graduating class of 2017:

- 98% of Engineering graduates are working or enrolled in graduate or professional education.
- 51% of Engineering co-op participants working full-time had received a job offer from a former co-op employer.
- 93% of those working full-time were satisfied with their position.
- 94% of those working full-time were satisfied with the level of responsibility at their position.
