### EMPLOYERS VALUE DREXEL STUDENTS

“Parini’s enthusiasm for nursing and her energy was contagious for the rest of the staff. She reinforced the reason we have co-op students, and the staff relies heavily on the contributions they make to both staff assistance and patient care. Parini has a knack for helping to relieve patient anxiety and can relate to the patients on their level. She incorporated herself as part of the team and participated and contributed in all unit activities.”

- Kathy Mullin, RN, and Linda McNellis
