Employers Value Drexel Students

“Marisa is very enthusiastic and passionate about her work and goes above and beyond to ensure that our participants’ needs are met. She gets along well and communicates effectively with her coworkers and partners.”

- Drexel University, Building Wealth and Health Network

What Our Students Say

“Public health is literally a part of everything – especially in the health care field, it is part of everyone’s duties. Therefore, if a student has other interests besides public health, they should explore them on co-op. But if they don’t, I’d suggest keeping an open mind and exploring ways public health is incorporated into different fields of expertise.”

- Momana Jahan, Senior, Public Health
