

BUILDING OUR PROFESSION THROUGH DIRECT SYSTEMATIC INSTRUCTION, SHARED LANGUAGE, AND THE SCIENCE OF READING

A CONVERSATION WITH G. REID LYON & DOUG CARNINE

Join us for an engaging conversation between renowned literacy experts, G. Reid Lyon, PhD and Doug Carnine, PhD. Participants will learn how systematic instruction supports struggling readers, explore the power of common instructional language for both teachers and learners, and consider how an evidence-based educational framework can meet the needs of all learners. Drs. Lyon and Carnine will share their perspectives and answer questions from attendees.
