Unlocking Reading Success: Barbara Wilson on the Power of Structured Literacy

WEDNESDAY, APRIL 9, 2025

4:00 PM - 5:00 PM ET

ZOOM WEBINAR

Barbara Wilson

Co-Founder, Wilson Language Training®

Literacy expert and co-founder of Wilson Language Training®, Barbara Wilson, joins Drexel University's School of Education to explore how structured literacy can unlock reading success. She will identify and dispel myths about structured literacy and explore how it fits within the science of reading. Teachers, practitioners, reading interventionists, school administrators, and others can benefit from Barbara Wilson's decades of insight using a science-backed approach to literacy. This free webinar builds on the School of Education's Science of Reading Day 2024, although everyone is welcome to attend.
