How to Obtain a Driver’s License/State ID Information/Checklist

Basic Steps On How To Get a Driver's License in USA:
Steps to get a driver’s license and/or a state ID in the United States do not vary from other countries. You first take a knowledge test and then you take the road test. Depending on the state, you go to a DMV office (Department of Motor Vehicles), DPS office (Department of Public Safety), or DOT office (Department of Transportation). All F-1 and J-1 International Students and their dependents need a driver's license or state ID from any state in the United States must provide the following documents:

Required Documents:

First-time Licenses/State ID in the U.S.
For first-time Pennsylvania State ID requests, collect items #1-5 and take to the Pennsylvania Driver's License Center.
For first-time Pennsylvania Driver's License requests, collect items #1-6 and take to the Pennsylvania Driver's License Center.
1. **Documents**: Passport, visa, and I-94 card/or admission number. (It does not matter if the visa in your passport has expired.)
2. **Valid I-20 or DS-2019**: The student's I-20 for those in F status or the student's DS-2019 for those in J status. Students and spouses must have at least eleven months (preferably 12 months or more) left before the completion date in section 5 of the I-20 or the end date in section 3 of the DS-2019 in order to qualify for an initial driver's license.
3. **Students on pending/approved OPT**: Students on Optional Practical Training (OPT) must present the OPT card. Because this needs to be verified by PennDOT, you may not receive your license or ID on the day you apply.
4. **Proof of residing in Pennsylvania**: Two documents showing where you live. Preferred documents include leases, housing contracts or mortgage papers; utility bills; local bank statement; and W-2 tax forms. However, when students don't have two of these, the Driver's License Office has been willing to accept other documents, such as a letter from the University Housing Office mailed to their on-campus residence.
5. **Social Security Card or Letter of Ineligibility**: Social Security Card if you are eligible for a Social Security Number. Students who do not qualify for a Social Security Number must obtain a rejection letter from the Social Security Office stating that ineligibility. (Check with ISS for the SSN form).
6. **Physical or Health Exam**: Check with the Drexel’s University City Science Center at 34th & Market Streets, Phila.PA. You can Contact them at: 215-220-4700 to schedule an appointment.

Renew a State ID and/or Driver’s License
A Pennsylvania Driver's license can be renewed until 30-days before the end date on the I-20 or DS-2019. PennDOT will include the grace period (60 days for F-1 and 30 days for J-1). Take items #1, 2, 3, and 6 to the DMV for this application.

Transfer of another State License to a Pennsylvania License
Students or dependents must take items #1-6 and their out-of-state valid driver’s license to the Driver’s License Center.

During Optional Practical Training (OPT)
Students on OPT must take the EAD for all requests: for new licenses and transferring licenses from other states, take items #1-6; for renewing your Pennsylvania license take items #1, 2, 3, 4, and 6.

International Driving Permit
Individuals who possess a valid foreign driver's license from their country are authorized to drive in Pennsylvania for up to one year from their date of entry into the United States, or upon expiration of their foreign license, whichever comes first. International driving permits are strongly recommended, but not required.
