Notice of Service Change for the Women’s Care Center at Student Health

For the past 10 years, the Women’s Care Center of Drexel University has provided confidential reproductive health care services, Family Planning, and testing and treatment for sexually transmitted infections at the Student Health Office on Monday and Wednesday evenings.

As of July 1, 2019, the Women’s Care Center will no longer practice out of the Drexel Student Health Center.

Confidential reproductive health services will be available to all Drexel students Monday - Friday during regular hours at the Drexel Student Health Center.

Reproductive health services include:
- Annual gynecology exams and Pap smear (cervical cancer screening)
- STI testing and treatment, pregnancy testing, emergency contraception, and PrEP (the HIV prevention pill)

Women’s Care Center will continue to provide the same confidential services at our office in Center City, as well as additional specialty services including:
- Prenatal care
- Evaluation of gynecologic problems such as heavy or painful periods

Location: Women’s Care Center
1427 Vine Street, 5th Floor
Philadelphia, PA 19102

Appointment line: 215-762-7824; Hours: Monday – Friday, 8am – 4pm

Transportation: The Dragon Shuttle takes you from University City to 15th and Race Streets. Walk one block north to our office.

**For Drexel students without Health Insurance or those who do not want to use their insurance for confidentiality reasons, Women’s Care Center offers low to no-cost services that are based on income and family size. Call and ask to speak to a counselor about our free services and eligibility. Family Planning Counselors can also answer questions about contraceptive methods and sexually transmitted infections.
