Faculty Responsiveness: Guest speaker Giuseppe Salomone, University Registrar

- Parent raised issue of scheduling for summer courses for fall/winter co-op cycle. Many platforms being devised by Platinum Analytics and will be implemented to determine proper demand to keep students progressing towards degree.
- Goal – to have every class personalized to student (geared to Freshman/Sophomores)
- Determine how many students are being waitlisted and open sections to accommodate
- Section balancing – moving students to balance schedule
- Closed section override
- Class searches more robust – update to Banner system
- Flag critical courses towards degree

Next meeting – May 22, 2019 6:00-7:30 to discuss commencement, Friday, June 14, 2019 7:30 p.m
