

A vibrant, sunny day at Drexel University. The foreground is a paved plaza with people walking and sitting on circular stone benches. In the background, there are modern buildings, including one with a prominent white slatted facade and another with a red facade. A tall black light pole stands on the right. The sky is clear blue. A yellow vertical bar is on the far right edge.

# DREXEL UNIVERSITY 2021-2022

# GETTING TO KNOW DREXEL

Drexel's dynamic curriculum is specifically designed to take your students beyond the typical university experience, uniquely preparing them to meet the challenges of an ever-changing world.

Through an innovative model that combines advanced academics with experiential learning, Drexel provides students with opportunities to build upon their classwork by working side by side with their professors, gaining valuable experience in research, and by learning directly from the leaders of their field via our renowned cooperative education (co-op) program.

Drexel can provide your students with the knowledge, resources, and support that will allow them to turn their ambitions into reality. We hope the information presented here will provide some additional insight into who we are and what it takes to become a Drexel Dragon.
