* Please note that the sample program below is tentative and subject to change. A final program will be provided to you during check-in (11:30 a.m. - 12 p.m.) on the day of the event and will list finalized descriptions, locations and timeframes for all activities.

Counselor Reception
Friday, March 15, 2019
Sample Program

Walking Tour of the University City Main Campus (Optional)
11:00 a.m. – 12:00 p.m.
Admissions Visit Center, 2nd Floor, Main Building (Building 1)
Join current students in exploring Drexel’s campus and University City neighborhood. Students will guide you through academic buildings, including Gerri C. LeBow Hall, the Papadakis Integrated Sciences Building, the URBN Center, and the historic Main Building. This hour-long walking tour will also highlight Drexel’s expanded recreation center, and a residence hall.

Event Check-in
11:30 a.m. – 12:00 p.m.
Admissions representatives will welcome you and provide materials to guide you throughout your day. Staff and current students will then guide you to the first session location where you will enjoy brunch and a champagne toast to celebrate the close of the admissions cycle.

Welcome Brunch and State of Drexel Admissions
12:00 – 12:45 p.m.
Randy Deike, Senior Vice President of Enrollment Management & Student Success (EMSS), and Evelyn K. Thimba, Vice President and Dean of Admissions, will welcome you to campus and share highlights about the exciting initiatives happening within EMSS as well as celebrate the successful collaboration with our counselor partners throughout the 2017-2018 admissions cycle.

Student Panel
12:45 – 1:00 p.m.
Hear from a few current Dragons as they share stories of their individual Drexel experience. No one student experiences Drexel the same and hearing the firsthand perspective from current students themselves is one the best ways to understand the unique curriculum and model of education the university provides.
Facility Tours and Experiences

1:15 – 2:30 p.m.

Learn more about the many academic and experiential learning opportunities Drexel has to offer students. These in-depth Facilities Tours are offered on the following topics, and groups will be divided ahead of time:

• **Performing Arts Backstage Tour**
  Come hear about music, theatre and dance at Drexel. This tour includes stops at Mandell Theater and the scene and costume shops. The tour concludes at the Main Building Dance Studio where the Dance Ensemble rehearses.

• **Steinbright Career Development Center**
  The Steinbright Career Development Center will test your knowledge about co-op and career services here at Drexel and provide more in-depth information about our programs, students, and partnerships. This will be an interactive session with the goal to provide you inside information, with a little bit of competition thrown in.

• **Global Drexel**
  Imagine studying while you sip a cappuccino in Paris, working at a lab in Shanghai, or polishing your language skills with a host family in Chile. Your time as a Dragon will start in Philadelphia, but your Drexel education can take you all over the world! In this session, you will learn about opportunities for Drexel students to expand their horizons and experience new countries through study abroad, international co-op, international research experiences, and on-campus programs.

• **LeBow College of Business**
  The Gerri C. Lebow Hall is home to the LeBow College of Business and is one of the newest buildings on campus. At 12 stories tall, it features a Behavioral Lab to support data collection for behavioral research, a Finance Lab with a stock ticker that updates in real-time, and the Dornsife Office for Experiential Learning. There are also tele/video conference capabilities for students to collaborate with international partners or global learning in class. LeBow provides students with the problem-solving skills and technical training that future business leaders need.

**Behind the Scenes Tour: the Academy of Natural Sciences**

3:00 – 4:00 p.m.

Founded in 1812, the Academy of Natural Sciences of Drexel University is a leading natural history museum dedicated to advancing research, education, and public engagement in biodiversity and environmental science.

This tour will highlight collections and research going on behind-the-scenes where you’ll meet with Drexel faculty, staff, and students on co-op who are doing important biodiversity, environmental science and climate change research in Philadelphia and around the world.
