Vision 2020 Is Hosting Philadelphia's First City of Sisterly Love Celebration — All Are Invited!

A Message from the President of Vision 2020

Vision 2020 is organizing and leading Greater Philadelphia's first City of Sisterly Love Celebration — a festive, four-day, outdoor, end-of-summer event August 26-29, 2021 — with the support of Drexel University, the City of Philadelphia, Visit Philadelphia, Kimmel Cultural Campus, Avenue of the Arts and Ready.Set.Philly!

Everyone is invited to attend, and we extend a special invitation to Vision 2020 Delegates, Allied Organizations and Women 100 Proud Partners to participate with a street festival booth or an event of their own as part of the celebration. All the details are below and on the Sisterly Love Celebration web page.

The celebration will begin on August 26 – Women’s Equality Day – with Vision 2020’s annual nationwide Toast to Tenacity, a live national webcast saluting the suffragists and other women leaders who have advanced women’s progress. The Toast will be the grand finale of our year-long Women 100 event series, and we will announce plans for Vision 2020’s rebranding and future gender equity agenda.

The Toast will take place in Center City Philadelphia and a day-long street festival follows on a closed section of South Broad Street with women-themed booths and diverse musical entertainment on a stage. All afternoon, our award-winning Seat at the Table women's equality exhibition will be open for in-person tours in the lobby of the Kimmel Center for the Performing Arts.

The celebration continues over Sisterly Love Weekend, Friday through Sunday, as arts and culture organizations, nonprofits, restaurants, retailers and more host their own free or discounted events, tours or other offerings tied to the theme. Our online program guide will be the central place to get up-to-date event information.

**Thirty Percent Coalition Announces Milestone**
The Thirty Percent Coalition, a Vision 2020 Allied Organization, has announced a major milestone in its annual campaign to encourage corporations to consider diversity — inclusive of gender, race and ethnicity — as a priority in board composition. Over 500 companies have appointed a woman to their board since the coalition’s Adopt a Company campaign began in 2021. During the 2020/21 campaign, 127 companies appointed a woman to their board.

The coalition represents more than $7 trillion in assets under management. This year, its investors asked companies to commit to include both women and people of color in applicant pools (known as the Rooney Rule) and to reflect this commitment in the company’s governance documents. Learn more.
