VIPs Give Seat at the Table Rave Reviews

To celebrate the opening of Vision 2020's Women 100 exhibition and event series, a VIP preview party drew a crowd of invited sponsors, dignitaries, media leaders and volunteers to the Kimmel Center for the Performing Arts in Philadelphia. Guests were the first to tour the Seat at the Table exhibition and shared rave reviews as a microphone was passed around during the reception. In the photo, flanking Vision 2020 President Lynn Yeakel (in yellow) are VIP party guests including Kimmel Center CEO Anne Ewers (in green), U.S. Senator Bob Casey and 6abc Action News anchor Jim Gardner at far left, and Drexel University President John Fry at far right. New Book by Lynn Yeakel Aligns with Vision 2020 Goal to Complete Journey

Majority Rules, the new book by Vision 2020 Founder and President Lynn Yeakel, is a timely addition to Women 100's celebration of American women in the 100th year since women won voting rights. In a series of essays, Yeakel sheds light on the past, present and future of the journey to women's equality. Editorial cartoonist Signe Wilkinson created the cover art. Yeakel is donating a portion of the proceeds from book sales to Women 100. The book is available from [Amazon](#), [Barnes & Noble](#), and the publisher, [Xlibris](#).

Two Women 100 Events Postponed Due to Coronavirus

Vision 2020's Women 100 has postponed its first two events: Spring Breakthru and Women's Leadership Forums. The decision was driven by a commitment to preserving our community's health and safety in a time when large-scale public gatherings and travel are contrary to the recommendations of public health experts, according to Lynn Yeakel, Vision 2020 founder and president.

Spring Breakthru, originally to be held March 20-22, will be rescheduled for Spring 2021. The event is designed to bring college students from across the country to Philadelphia for a weekend focused on equipping them with the training, tools and resources to advocate for positive social change.

Women's Leadership Forums, which had been scheduled for April 1, will be rescheduled later in 2020. The forums are designed to educate and inspire by bringing together live audiences and thought leaders for discussions illuminating the past, present and future of women's leadership.

All who already registered will be guaranteed spots for the rescheduled events.

First Girl to Win State's Wrestling Championship

Heaven Fitch triumphed in an eight-wrestler 106-pound division that included seven boys, making North Carolina history as the first girl to win an individual state wrestling championship. A junior at Uwharrie Charter Academy in Asheboro, NC, she had a 54-4 record this season and was named Most Outstanding Wrestler for North Carolina's 1A division. Sally Roberts, founder and CEO of Wrestle Like a Girl, a nonprofit that promotes wrestling as a means of educating and empowering girls and women, said, "It is very significant in wrestling history because it's a great example of, 'Yes, women can do it if they're taught, educated and trained.' Wrestling is a sport for everybody."
