Voter Mobilization

Teams Grow Participation in Vision2020Votes

The Association of Junior Leagues International (AJLI) has amassed the largest team on Vision2020Votes, Vision 2020's nationwide online voter mobilization effort. The goal of Vision2020Votes is to break the record for women voting in this year's national election.

As of September 17, the AJLI team had 907 members; Hadassah had the second largest team with 237 members. The online platform uses team building and game-like activities to increase the likelihood that participants will cast a ballot in November.

Visit Vision2020Votes.org to join today at no cost, or email Elowyn Corby, Vision 2020 program manager, at emc395@drexel.edu to create a team for your group. [View the 30-second public service announcement](#).

Women 100 Proud Partners

Did You Know Women Lost the Vote Before They Won?

More than a century before the 19th Amendment enfranchised women as voters, women and free people of color legally voted in New Jersey for more than 30 years. In the groundbreaking new exhibition [When Women Lost the Vote: A Revolutionary Story, 1776 – 1807](#), opening October 2, the Museum of the American Revolution in Philadelphia will explore – as no exhibit, book or other medium has before – the little-known history of the nation's first women voters. Visitors will learn about the political conflicts that led to these voting rights being stripped away.

Women 100 Schedule

Women 100 events and dates are as follows:

Center is open.

In Philadelphia, the birthplace of American democracy, Vision 2020 is presenting Women 100, a series of programs and events marking 100 years since women in the U.S. — half the population — won the right to vote through passage of the 19th Amendment to our Constitution.

Vision 2020's national coalition of Delegates and Allied Organizations and its Proud Partners in Women 100 are honoring the contributions of American women past and present while raising civic awareness and engagement to new heights. We have planned a diverse calendar of activities to celebrate women's history and spark new ideas about the path forward to greater gender equality.

Vision 2020's Women 100 includes Vision2020Votes, a nonpartisan, national voter mobilization effort encouraging women to vote in record numbers in the 2020 elections.
