

JON CODDINGTON
Professor (ret.)
Department of Architecture
+ Interiors
Drexel University

| | | |
|----------------------------|---------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|------------------------------------------------------------------------------------------------------|
| Education | Master of Architecture, University of Pennsylvania Bachelor of Architecture, University of Tennessee Bachelor of Arts, Earlham College | |
| Registration | Registered Architect in Tennessee | |
| Academic Experience | Professor, Drexel University Head, Department of Architecture + Interiors, Drexel Univ. Visiting Professor, University of Tennessee, Chattanooga Chair, Department of Architecture, Ball State University Professor, Ball State University Graduate Program Head, University of Tennessee, Knoxville Associate Professor, University of Tennessee, Knoxville Assistant Professor, University of Tennessee, Knoxville | 2014-2020 2010-2014 2007-2010 2004-2007 2004-2007 1993-2004 1992-2004 1985-1992 |
| Subject Areas | Building Design, Urban Design, Architecture Theory, Sustainability | |
| Honors | Presidential Award of Merit for Distinguished Service American Institute of Architects, Tennessee Society Merit Award, Tennessee Society of Architects (Oak Ridge National Lab Visitor and Conference Center) Leadership Award, U.T. Battelle, ORNL Master Plan Design Award, East Tennessee A.I.A. (Unitarian Sanctuary) Honor Award, Gulf States A.I.A. Regional Awards Program (Bicentennial Mall) Merit Award, Tennessee Society of Architects (Beckner House) Honor Award, Tennessee Society of Architects (Bicentennial Mall) Honor Award, American Society of Landscape Architects Tennessee Chapter (Bicentennial Mall Master Plan) Tau Sigma Delta Teaching Award, University of Tennessee First Place, 4 th International Biennale of Architecture, Krakow, Poland National Alumni Distinguished Teaching Award, University of Tennessee | 2004 2003 2000 1999 1997 1996 1996 1996 1992 1991 1990 |
| Funded Research | Oak Ridge National Laboratory Phase I East Campus design Phase II West Campus design Building schematic design | \$185,000 |

| | | |
|--------------------------------------|-----------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------|
| | U.T. Battelle/state of the art science classroom and laboratory design for Oak Ridge High School | |
| | State of Tennessee | \$75,000 |
| | Bicentennial Mall | |
| | Bicentennial Mall Urban Master Plan | |
| | Miscellaneous design and planning work, particularly around the Capitol and its grounds | |
| | Campus Planning and building design, State Board of Regents | |
| Creative Work | Hitchner Residence, Red Lodge, MT | 2022 |
| | Cohen Residence, Los Angeles, CA | 2016 |
| | ORNL Phase I Master Plan Construction Completion | 2005 |
| | Advised Chinese officials regarding urban planning principles and design regarding new city and town planning as a result of the construction of the Three Gorges Dam | 2003 |
| | Market Square, Mixed Use Building; Parking, Housing and Retail, Knoxville, Tennessee | 2002 |
| | Market Square Master Plan, Knoxville, Tennessee | 2001 |
| | Oak Ridge National Laboratory East and West Campus Master Plans | 2001 |
| | James Agee Park, Knoxville, Tennessee | 2001 |
| | Capitol Grounds Master Plan, Nashville, Tennessee | 2000 |
| | ORNL Schematic Master Plan, Oak Ridge, Tennessee | 2000 |
| | Downtown Revitalization Plan, Oak Ridge, Tennessee | 2000 |
| | Minerik Studio, Oak Ridge, Tennessee | 2000 |
| | Bicentennial Mall Urban Master Plan, Nashville, Tennessee | 1999 |
| | Unitarian Universalist Church, Oak Ridge, Tennessee | 1998 |
| | Housing, Rustville/Fort Nagley, Chattanooga, Tennessee | 1997 |
| | Bicentennial Mall, Nashville, Tennessee | 1996 |
| | Housing, 4 th and Lindsay, Chattanooga, Tennessee | 1996 |
| | Bell Pavilion, Bissell Park, Oak Ridge, Tennessee | 1996 |
| | Beckner House, Greeneville, Tennessee | 1995 |
| | Master Plan, State Capitol, Nashville, Tennessee | 1995 |
| Chattanooga Urban Design Work | Secured \$50,000 grant to green UTC's new \$49 million library; the library is now under design and its current LEED status is Gold with the possibility of reaching platinum | 2008-2010 |
| | Secured \$15,000 grant to have university design classes work on Chattanooga based projects; current participants are UTK, auburn, and Georgia Tech | 2008-2010 |
| | U.S. Pipe/Wheland Master Plan- with Urban Design Associates, Pittsburgh. Completed master plan for a140 acre brownfield site strategically located in the city. Implementation will take 7-10 years with construction costs for the mixed use district estimated at \$1 billion + | 2007-2010 |
| | Unum Master Plan-schematic master plan with housing/mixed use projects on existing surface parking-400+ housing units for the low rise/ high density development | 2007-2010 |
| | M.L. King Neighborhood Plan-assisted the Design Center in re-conceptualizing the area and the design strategies/uses for its revitalization | 2007-2010 |
| | Jefferson Heights-worked with Lyndhurst Foundation regarding the continued development of the neighborhood including organizing a design competition for sustainable | 2007-2010 |

housing, reviewed/selected designs for a new townhouse development, and juried/selected single family housing designs fronting the park

Haney Block, 4th and Broad- master planned the block and developed a schematic design for 12 screen movie theater designed to stimulate retail development and bring 400,000 people annually downtown; The theater opened in the fall of 2009 and is the first LEED movie theater in the US achieving a Gold certification 2008-2009

Created a site plan for proposed work-force housing on St. Elmo Ave. 2007

Created a site plan for a big box retailer based on sustainable design practices, off St. Elmo Ave. 2007

Developed a schematic site plan and design for office-condo and retail on Cowart Street. 2007

Consulted and revised a townhouse proposal on another site on Cowart 2007

Reviewed and helped revise the master plan for the Union Gospel Mission site on Main and Market 2007-2008

Developed an alternative housing design strategy for the 700 block of Market 2007

Assisted with the design and relocation of a day care center in a mixed use development on Walnut and 3rd 2008

Assisted with a parking study for the Hunter Museum and Bluff View Arts District 2007-2008

Developed a “white paper” on the proposed Stringer’s Ridge development and worked with concerned stakeholders, including city council members and city officials regarding alternatives to the development-92 acres have now been preserved and a master planning effort is just commencing 2008-2010

At mayor’s request, assisted with discussions regarding homeless housing, the possible relocation of the Salvation Army campus, and other associated issues 2008

Assisted the Chamber of Commerce in recruiting companies to Chattanooga 2007-2010

Philadelphia AIA + G.B.C.A. Design on the Delaware “Architectural Education and the Construction Industry: Creating Stranger Connections” 2010

Power of Green Conference, Newark, Delaware. “Integrating Sustainability into the Curriculum and into Practice” 2011

Presentations/Publications

Renovations Reconsidered: Architectures of Adjustment and Affirmation – monograph that will be sent to publishers in 2023 Initial draft was accepted by The Harvard Review 2023

“Social Justice, Benjamin Franklin and the Cultural Commons” Context, Winter 2016 2016

“Cultural Properties: The Case for Renovations” Invited paper, international symposium: *Cultural Properties: Ownership, Stewardship and Responsibility*; Co-Sponsored by Drexel University and University of Geneva 2015
